Insupen[™]
Original

**Taking the Pain
out of Pen Needles**

Make prescribing savings quickly with no impact on resources

A cost-effective insulin pen needle without compromise on quality, supported by our FREE implementation service.

- In line with NHS England recommendations to spend less than £5 per box, Insupen Original is priced at £3.55 per box¹.
- Average CCG pen needle savings of 25% per annum².
- 700% greater savings when actively implemented using our managed formulary change model³.
